OVERVIEW: Since 1924, RRVJA has enabled students to enter its halls of learning in preparation for service to the community. The school is a Manitoba Certified K-10 facility and affiliated with the Manitoba Federation of Independent Schools. It is also certified by the Accrediting Association of Seventh-day Adventist Schools as part of the National Council for Private Schools Accreditation.

SCHOOL FOCUS: It is important for students at RRVJA to develop a personal relationship with Jesus Christ. Students are able to pursue this noble call by way of structured Bible classes, daily devotions, chapel exercises, community service projects and mission trips.

We believe that through Christ, our students can excel spiritually, academically, physically and socially. Realizing that strong foundations are critical for future success, we annually emphasize literacy, numeracy, values and virtues.

LOCATION: The Academy is situated approximately 5 minutes from downtown Winnipeg; a cosmopolitan city located near the longitudinal centre of North America, at the confluence of the historic Red and Assiniboine Rivers.

STUDENT BODY: Cultural diversity abounds on the campus of Red River Valley Junior Academy. This is reflective of the cultural make-up of the city of Winnipeg.

FACULTY: A dedicated and committed staff of approximately 12 relate to the students in a caring and family-like atmosphere that emphasizes academic excellence. All teachers are Manitoba Certified and hold a minimum of a Bachelor's Degree in Education. Motivation and academic stimulation characterize the one-on-one interaction of staff with students as they share and model Christian ideals.
